Special to The Union

WASHINGTON — Richard Milhous Nixon, the 37th President of the United States, announced Thursday night that he had given up his long and arduous fight to remain in office and would resign at noon today, less than two years after his landslide election for his second term.

Gerald R. Ford, whom Nixon nominated for vice president last Oct. 12, will be sworn in today at the same hour as the 38th President of the United States to serve out the 895 days remaining in Nixon's term.

Nixon, in a conciliatory address on national television, said he was leaving not with a sense of bitterness but with a hope his departure would

CHARLIE MCKINNEY: WE

REALLY LIKE YOU!

In the ten years that Mr. McKinney has been with us, he has proven that he is not merely a teacher of English, but also a teacher of philosophy, theology, and politics and a super Debate Coach. His classes are inundated with clever witticisms and relevant statements that make us think about our past, present and future. His perception and comments have illuminated our way through the worlds of Shakespeare, science-fiction and fantasy.

Mr. McKinney's success as a teacher stems, not only from a desire to teach, but from a true interest in what he teaches.

Even the quietest of us seems to open up and express our views in his presence. Sometimes humorous, sometimes serious he can always surprise his classes with new facts, Shakespearean quotes and amazing stories. His cleverness and ability to define and clarify a point are exemplified by his success as the Debate Coach.

After school on Fridays, his voice is immediately recognized as the dominant one in the discussion group. He believes what he teaches and he combines his opinions with the most unexciting subjects (like vocabulary), thus Mr. McKinney holds the student's attention, challenging him to learn. He is an educator in the true sense of the word.

For these reasons we dedicate Aegis 77, without hesitation to Charles McKinney, an outstanding teacher and person.

TRIBUTE TO THE EAST LONGMEADOW

Since its inception in 1951, the East Longmeadow Scholarship Foundation has helped a total of 431 academicians on the road to a higher education. The Foundation, originally conceived by the P.T.A. to provide financial aid for young residents of East Longmeadow, has through the years awarded over \$115,000 in scholarships.

The funds provided to students are realized by contributions from local businesses, clubs, an annual house to house drive for funds, and gifts given to the Personal Remembrance Fund, honoring or in memory of friends. Among the awards given are the East Longmeadow Education Association Scholarship Award, the Cynthia Wade Memorial Award, given to students who plan a career in nursing, and the Lions Club Scholarship Award. Through the efforts of this fine organization many local students have gained an opportunity for a better education and, because of this, the foundation deserves great commendation.

CHEERLEADERS CAJOLE CROWDS

Rise to the occasion, fans

That's the way the ball bounces.

Isn't that halfback from South Hadley cute?

You can do it!

Midwood scores again.

Power to the people

With their great looks and death-defying antics, the cheerleaders were instrumental in many Spartan Football and Basketball victories. Led by co-captains, Mary Beth Griswold and Mary Weiner, these graceful young women whirled and twirled their way into the hearts of spectators and athletes alike. When the situation was grim and a hush fell over the crowd, these sprightly lasses raised our spirits with their repertoire of rowdy cheers. We will never forget the special dimension they added to our high school sports activities.

We've got the spirit

Lou rambles on

Patty pleases people

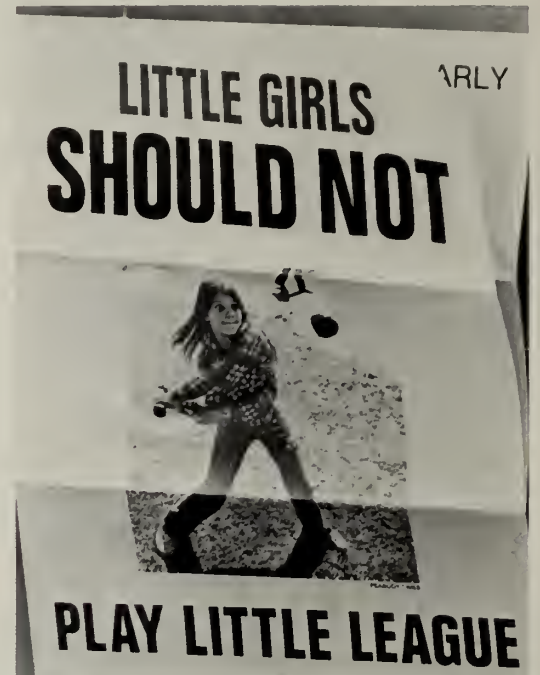

The safest principle through life is to set about perfecting yourself.

The greatest glory consists not in never falling, but in rising every time we fall.

Life's greatest adventure is in doing one's level best.

If you cannot win, make the one ahead of you break the record.

SPARTANS WIN SUBURBAN LEAGUE TITLE

Here they come

Mike Lewis sheds a defender

What do we do now, fearless leader?

The EL football team once again proved their gridiron supremacy as they rolled to a 9-1 record. This mark not only earned them a share of the Suburban League title, but also the chance to represent Western Mass in the High School Playoff Bowl.

The overpowering strength of the Spartan line, led by Seniors Dave Bradstreet, John Dunn, and John Sharon, continually opened holes for MVP Jeff Dobias, Dagenais winner Mike Lewis and Junior standout, Rick Willis. When the other team did get control of the ball, the staunch EL Defense, led by Gordie Burson, made its hard-hitting presence known.

Jeff Dobias goes off tackle

FOR SIXTH STRAIGHT YEAR

Ready! Set! Go! Go!

Chris Murphy executes the option.

Brad and Tom Franco clear the way.

Excuse me, this one is mine.

Spartan Honor Roll

All-Western Mass:

Dave Bradstreet, Mike Lewis, John Sharon

All-Suburban League:

Dave Bradstreet, Gordon Burson, John

Dunn, Mike Lewis, John Sharon

Most Valuable Player: Jeff Dobias

Tri-Captains for 1977:

Jim Foley, Tom Franco, Rick Willis

Jim Foley breaks to the outside.

Rick Willis finds running room.

A well-deserved victory ride

SPARTANS SCALP TOMAHAWKS 20-0

This is Astro-Turf?

Dobs dashes on

The EL Spartans took their 9-1 record to Springfield College Dec. 4 to do battle with the Tomahawks of Algonquin Regional High School. As the game progressed however, the Spartans were forced to fight Mother Nature as well as the Northboro boys when a mid-winter blizzard descended on the stadium. Mother Nature couldn't stop the Spartan running backs as they accounted for nearly 200 yards rushing on the snow-covered field. Junior Rick Willis led the offensive charge with nearly 100 yards. The defense allowed only one Algonquin first down all day and held the Tomahawks scoreless. When the snow finally cleared, the Spartans had completely dominated Algonquin 20-0. More importantly, they had earned the Division II crown.

FIELD HOCKEY "STICKS"

The E.L.H.S. Field Hockey Team enjoyed another winning season as they compiled a 6-3-3 league record. Miss Exley, with the help of co-captains Linda Carroll and Marybeth Griswold, proved to be an inspiration to all the young players. In addition, Marybeth received the Best Offensive Player award and Linda was voted the Most Valuable Player at the first post-season banquet. The impressive show of spirit among the eleven returning Juniors and several Sophomores will insure a winning season next fall.

Varsity soccer suffered a heartbreaking 1976 season, winning 3, losing 9 and tying 4. However behind every cloud is a silver lining and the 1976 scuffers are no exception. M.V.P. Bill Ollari and high scorer Greg Wilk continually demonstrated their leadership throughout the year.

Spartan sophomores, Rick Nasman and J.P. Murphy, proved to be promising for the future. Both, along with Wilk, received All-League honors.

The highlight of the season was the 3-2 victory over Tech as the fans saw Jim McGowan send Wilk on a breakaway for the winner with one minute left in the contest.

The soccer team is definitely up and coming under the guidance of Mr. Bernatowicz and we wish them the best of luck in future years.

Girls Basketball faced that familiar and frustrating dilemma- A Building Year. Faithful practice sessions not withstanding- the stuffers didn't stuff and their lay ups fell down. Lead by co-captains Linda Carroll and Betsy Kulik, the enthusiasm of the team is still alive. In their first game against Classical, newcomer Nina Roberts led the team with twenty points. Next years team will be returning with ten juniors and eleven sophomores, such a turnout will undoubtedly insure success in next year's season.

SPARTANS SKATE

Waiting for his turn.

Led by the high scoring "L and L" line, the East Longmeadow icemen skated through a tough rebuilding year. The first line of Liquori-Lorenzi-MacDonald provided a potent offense, while the trio of O'Brien-Burson-Sands composed a tight checking unit. Disappointing losses to Longmeadow and Minnechaug were forgotten after a tremendous victory over a highly placed Greenfield team. Although 4 important seniors will graduate, a seasoned group of underclassmen will return next year under veteran coach Mr. Fassnacht. At the first annual post-season banquet, sophomore goalie Chris Trincerri was praised for his efforts, while All-Star Mark Lorenzi and John Liquori shared the Most Valuable Player award. First year player Gordie Burson was presented with the Most Improved Player award, as the players relaxed before training for next season.

SAVANTS

For many years the Dept. Heads have provided direction and purpose to the various programs offered as part of our curriculum.

Creative minds and talented hands find that the Art Dept. offers everything from ceramics to pastels. Under Mr. Goldie's supervision, students venture into the abstract, creating masterpieces, not only for themselves but for the all-important mark.

The Home Ec. Dept., led by Ms. Chmielewski, guides its students in creating subtly different masterpieces. Anyone trying to bake bread or sew a straight seam realizes the amount of talent needed to accomplish it.

Mrs. Lopes and the librarians provide us with invaluable services and an excellent source of reference for research. Their efforts are appreciated. Who needs to talk anyway?

Mr. Bolles leads perhaps the school's most popular Dept. Few people object to a little exercise and the staff's efforts to diversify help a lot. Besides, there's no homework.

Mr. Camp and the other guidance counselors supply us with advice in our selection of sources and colleges. Unfortunately they are often taken for granted until we need them and can't find them.

For musically inclined people the Music Dept. under Mr. Charron opens doors into many different forms of music. Both singers and musicians find satisfaction either in select chorus or even in the band.

The people of the Special Ed Dept. are probably the most overlooked and least appreciated of any of the groups. Their work with those students requiring individual attention deserves our recognition and thanks.

Those students possessing the skill necessary to enjoy Industrial Arts certainly have the opportunity to do so. Mr. Gauthier as chairman deserves credit as do the other teachers in this Dept. for their fine efforts and their ability to hold a straight face.

More practical minds look to the Business Dept. and Mr. St. Germain for instruction. No matter where your interests center, these teachers will be glad to help, like it or not.

Mrs. Fleming directs the Language Dept. which tries to educate us in the use of a foreign language. Their work is excellent. Many of us become fluent in a Foreign language, though we still have trouble with our own.

For many years Mr. Troutman and his fellow science teachers have instructed us. No one who has written a lab report can deny their determination to teach us to the best of their abilities.

Mr. Roan's Social Dept. brings past and present events into focus for many who would otherwise be happily ignorant. The range of courses demonstrates their devotion to their work.

Mr. Grocott and all the people in the English Dept. attempt to show us the beauty of literature and the value of the properly spoken word. In their classes we develop our appreciation or we develop an unspeakable grade.

Mr. Dutille and the Math Dept. do their level best to teach us numbers. Few people leave their courses without a better grasp of the intricacies of Mathematics. At least, not if the department can help it.

Purpose of Chapter 766 of the Acts of 1972 of the Commonwealth of Massachusetts

The General Court finds that past development of special education programs has resulted in a great variation of services to children with special needs with some children having a greater educational opportunity than others in less favored categories or environments. The General Court further finds that past methods of labeling and defining the needs of children have had a stigmatizing effect and have caused special education programs to be overly narrow and rigid, both in their content and their inclusion and exclusion policies.

In the light of the policy of the commonwealth to provide an adequate, publicly supported education to every child resident therein, it is the purpose of this act to provide for a flexible and uniform system of special education program opportunities for all children requiring special education; to provide a flexible and nondiscriminatory system for identifying and evaluating the individual needs of children requiring special education; requiring evaluation of the needs of the child and adequacy of the special education program before placement and periodic evaluation of the benefit of the program to the child and the nature of the child's needs thereafter; and to prevent denials of equal educational opportunity on the basis of national origin, sex, economic status, race, religion, and physical or mental handicap in the provision of differential education services.

On December 8 the 1976 Spartan Football season was brought to a close at the Mountain Laurel in Enfield, Connecticut. The team was honored by the Gridiron Mothers with a splendid banquet, which was highlighted by various award presentations to the players and coaches ... an entertaining program ... a warm and gratifying close to a super successful season.

Bite your tongue!

"Don't ask me!"

Under the leadership of Faculty Advisor Mr. Calabrese, and Student Directors Ken Kaiser and Kathy Roberts, the Drama Club successfully displayed its talents in its presentation of "The Mouse That Roared". From professors to Fenwickian soldiers, the cast became one big happy family during the long hours of practices and rehearsals.

When the big night finally came, all those endless hours paid off. The performance was hilariously funny; and as those who had the pleasure of seeing the play would say, there was never a dull moment.

"Come any closer and I'll scream!"

DEBATING TEAM

TOP ROW (L TO R); Kim Rutherford, Carney Mcrae, Chris Kuta, Lynn Saverow, Mr. Debacher. BOTTOM ROW; Lynne O'Brien, Cindy Keddy, Mr. McKinney, Kris Dietche, John Odata.

Under the stringent coaching of Mr. McKinney and utilizing the variety added by Mr. Debacher, this year's debating team has successfully captured fourth place in league competition. The year was basically a rebuilding one as nearly all the varsity competitors graduated last year and thus left relatively inexperienced juniors to defend a league title.

In spite of the handicap, the team battled its way to a 14 wins and 10 losses season against some of the toughest competition in the state.

This year's F.T.A., Future Teachers of America, is a group of individuals who wish to make a career of teaching. In their meetings they discuss various fields in education and they also, at the same time, prepare themselves for their futures. As you can see from these future teachers, it may easily be assumed which gender will dominate the teaching profession.

1ST ROW (L-R); Lucie Cook, Denise Boucher, Cheryl Carroll, Linda Carroll, Anne Collins. 2ND ROW; Robin Roos, Mark Monroe, John Lindahl, Karl Schulen, Jeff Dobias, Jim Darsigny, John Burney, Miss Hershuk (Advisor). 3RD ROW; Kris Dauten, Kathy Roberts, Claudia Katze, Alice Pomeroy, Linda Francoeur, Kris Dietche, Janice Lyman. 4TH ROW; Dave White, Mike Fleming, Tom Bruno, Patty Creighton, Barbara Borowiec, Dale Hunter.

This years Honor Society under the direction of Miss Hershuk led the campaign for Scholastic Achievement in E.L.H.S. Besides its annual Alumni Tea, it provides supportive strength in areas as diverse as student tutoring and Spartanum direction. The school relies heavily on the unobtrusive and attentive super citizen members of the Honor Society.

In addition to its school activities, the Honor Society sends 300 dollars a year to an unregistered Post Office Box in Oshkosh, Wisconsin. From there the money is sent in small unmarked bills to an Indian boy named Milford who invests it into material for Hopi Indian dolls. He sends them back and the Honor Society, in the name of the Trust Corporation, sells them in bubble gum machines, turning a handsome profit.

The Unsung Heroes

Although they play a major role in the production of the yearbook, this somewhat motley-looking crew receives only a fraction of the praise due them. The time and effort they put in under Mr. Burns will hopefully be rewarded with a seat in the "other room."

This year's financial group did it's part in compiling the monetary backing necessary to the publishing of any yearbook. Their efforts are greatly appreciated, as are the many hours they dedicated to making this yearbook possible.

On the opposite page are pictured the senior members of this distinguished group whose sterling example was an inspiration to the underclassmen pictured above.

This year's Spectator Staff once again proved that the public can be conned into buying anything as their subscriptions indicate. However, all kidding aside, the Newspaper has provided coverage of school events that is surpassed only by the yearbook's this past year. The hardwork and creative effort which they have expended in order to create their masterpiece merits our gratitude and full support in years to come. Few other activities in this school manage to combine so skillfully total insanity with a drive to meet their obligations so successfully. In fact these masterful men & wonderful women proved their skill and prowess on March 18th when the paper was awarded a second place finish in a national newspaper competition. Our thanks and congratulations to Mr. Kerson and his staff for another year of service.

In the past year our excellent Select Chorus has been raising its voices in joyous song frequently and well. Mr. Cheney and his students once again have proved that silence is golden. All kidding aside, the talent and showmanship of these people have added a great asset to our school's program. After enduring two forced delays of the Madrigal Dinner, the chorus produced a tremendous evening. Our congratulations and thanks.

SPANISH CLUB

(L-R) Kathy Schuhlen, Debbie Auld, Debbie Buckingham, Barbara Samek, Janina Lemanski, Eileen Czupryna, Gail McGrath, Jill Benoit. BACK (L-R) Mrs. Beecher, Mr. Dowling

This year's Spanish Club, under the leadership of their advisor Mrs. Beecher, held numerous events including a very successful Munch - Out taco party and a Taco-Eating Contest. It was a close race between Tom Franco, John Parker, and Paul Yeomans but a decision was reached after much deliberation and Franco was declared the winner!

Also attending the party was Mr. Dowling, currently on sabbatical. He has spent the previous year touring Spain, gathering background information for his classes. Hopefully, his experiences will benefit his students and increase their understanding of modern Spain.

Bunsen burners alight! Budding young scientists under the green thumb of Mr. Troutman have provided new hope in the area of botanical science. Huddled daily amongst the dense underbrush of the greenhouse, this bumper crop of underclassmen have managed to grow myriads of plants and flowers and defend their products from the deadly white flies. To further their efforts, the club held a flower sale during the spring elections. The three hundred dollars profit will be used to purchase new supplies and replace worn out materials. (See below)

WINTER CARNIVAL BIG MONEY-MAKER

Ready for take-off!

This year several clubs and activities sponsored a highly successful Winter Carnival. Booths and contests of every type imaginable were used to separate money from students and parents alike. The balloon sale raised an impressive amount of money for the senior class just as the pie booth helped finance this years well-constructed yearbook. Our appreciation to all the people who contributed to organizing this function.

SENIOR GIRLS AMOUNT TO NOTHING

Senior girls square off for the second half.

Smith moves in for the kill.

The powder puff football game was a tough defensive battle which led to a 0-0 tie. The teams themselves were nice enough, but the cheerleaders were the icing on the cake. They gyrated their way into the hearts of fans and players alike. The half-time entertainment provided by the kazoo band was the high-point of the day.

JOSTEN'S AMERICAN YEARBOOK COMPANY

We record 8000
school years
every twelve months.
That's a
whole lot of history
for a
whole lot of people—
a responsibility
we handle with pride...

*“We, the Willing
led by the Unknowing
are doing the Impossible
for the Ungrateful.”*

*“We have done so much
for so long*

*with so little
we are now qualified
to do anything
with nothing.”*

“In no time at all.”

DEFEAT MAY BE VICTORY IN DISGUISE

Throughout the past year, the people you see here and on the following pages, have worked diligently to put together your yearbook—well, most of them anyway. Those of us who didn't actually lay out a page or write copy provided important comic relief. Any effort of this size requires teamwork. We had our problems but by pulling together we overcame them and finally reached our goal. Special thanks go to Liz and her nimble fingers; Charlie and his tripod; and Jeff for his drawings; it couldn't have even been finished without them. Thanks to John for keeping Paula busy, and Betsy for keeping track of birthdays and conducting the singing.

Seriously, our deepest appreciation goes to everyone who helped make this book—including Brooksie who took plenty of pictures and developed most of them.

Congratulations
to the Class of
